Call Signs WPRQ897
ESMR Band Election

Dear Mr. Lederman:

This office is counsel to Stones Mobile Radio, Inc. ("Stones"), licensee of 800 MHz SMR Station WPRQ897. This letter is in response to the letter of January 11, 2006 from the Transition Administrator, regarding Stones' election to remain on its existing channels or to move into the "ESMR Band" above 862 MHz.

This is to inform you that Stones has elected to move their EA operations on its authorization for WPRQ897 to the 856-860.000 frequencies, and Stones declines the option to move these systems above 862 MHz. Stones reserves the right to amend this decision based on the final outcome of the Canadian Border Region plan.

If you have any questions please contact Rick Edwards at 301-231-0946

Sincerely,

Bruce Henoch
Its Attorney
